WHO WE ARE

The Italian Chamber of Commerce in Belgium is a **not-for-profit organization recognized by the Italian government**. Under the Belgian law, it was founded in 1950 to promote contacts between Belgium and Italy.

The Chamber is part of **Assocamerestero**, the Association of Italian Chambers of Commerce Abroad representing:

- 86 Chambers in 63 countries
- 160 service points
- 20,000 members (88% local companies)
- 300,000 business contacts

The Italian Chamber of Commerce in Belgium, located in the heart of Brussels, close to the European Institutions, is the point of reference for all companies wishing to promote their business and expand their network of contacts in **Italy** and **Belgium**.

**OFFICIALLY RECOGNISED BY THE ITALIAN GOVERNMENT
UNDER THE LAW JULY 1, 1970, NO 518**

Projects & Tenders

The Italian Chamber of Commerce in Belgium participates in **international projects** financed by the **European Union**. Currently, CCBI is managing projects in entrepreneurship, education, tourism, and cooperation and development; moreover, being a reference point for many Italian public and private organisations, it provides consultancy on project drafting and management for **ERASMUS+**, **COSME**, and **CREATIVE EU programmes**.

Thanks to these EU projects CCBI ensures its members a variety of high added value **services** related to :

- 01 **Vocational training**
- 02 **Internationalisation of enterprises**
- 03 **Entrepreneurship of young people**

The Chamber participates in calls for proposals and tenders as a consortium leader or partner.

Educational Program

The talent competition is more and more crucial at the current time. CCBI helps its members to tackle this challenge with its educational programs. A new set of **masters** and **classes** have been developed in close partnership with international organisations and accredited training centres in Italy and with the support of its 20 years of Alumni.

IMES - Evening & Weekend Programme

Post-graduate accelerated Master's programme provides students with an in-depth knowledge of the European Union's institutional structure in order to become an EU Project Consultant and Project Manager.

INTERNATIONAL
MASTER
EUROPEAN
STUDIES

CCBI courses

- **Project Agent**, helps participants learn how to spot opportunities, shape project ideas and coordinate the full project process in a concrete and proactive way;
- **DIG-EU: Digital Skills for EU Affairs** focuses on the digital side of EU work, from key regulations like the AI Act and GDPR to emerging technologies and their impact on policy;
- **Access to Brussels**, gives participants a clearer understanding of EU institutions, advocacy and strategic networking, with direct exposure to the Brussels environment through visits and meetings with professionals.
